New Build and refurbishment works

NLG Associates have undertaken numerous projects over the years at Chelsea Football Club.

Included in the projects that NLG Associates have undertaken at Chelsea Stadium are the VIP Match Boxes refurbishment works, Toilet areas Refurbishment, the refurbishment of the Bar Area. We were also involved in the Chelsea Museum relocation and upgrading of facilities.

NLG Associates have also undertaken the design for the new Cobham Training Centre which included Swimming Pool, Gymnasium, Toilets & Shower Changing rooms and underground car parking.
